About

BIOGRAPHY

Dr. Brittany Kauffman is a board certified family medicine physician at Goshen Physicians Family Medicine Pro Park. She provides a full spectrum of care for patients of all ages from newborns and adolescents to teens and older adults. Her services include preventive care and wellness visits as well as management of chronic diseases and in-hospital care of pediatric and adult patients.

Among Dr. Kauffman's areas of special interest are care for women during pregnancy, newborn care and attention to establishing healthy mother-baby relationships. She also provides contraceptive care, hormone therapy and treatment for disease prevention.

When Dr. Kauffman is away from her medical practice, she enjoys time with her husband and family of cats. Her favorite activities include fantasy football, reading, cooking, gameplay, as well as an occasional escape into Dungeons & Dragons.

PHILOSOPHY OF CARE

Dr. Kauffman believes every patient deserves a unique plan of care that is tailored to their needs. She takes a holistic approach that addresses the overall health and wellness of the patient as she treats specific health problems.
