About

BIOGRAPHY

Ebenezer Kio, MD, is a board certified medical oncologist and hematologist and serves as Director of Clinical Research at Goshen Center for Cancer Care. He specializes in using drug therapies, including chemotherapy, to treat patients with cancer and non-malignant blood disorders. Through his collaboration with an integrated cancer care team, Dr. Kio creates individualized treatment plans that respect the needs of each patient and support all aspects of the patient's life.

PHILOSOPHY OF CARE

A patient's quality of life is as important to Dr. Kio as providing cancer therapies. He believes in taking care of the whole patient, while treating the disease.
