## About

### BIOGRAPHY

Mallory Grossman is a board certified family medicine nurse practitioner with Goshen Physicians Endocrinology. She coordinates care with doctors, surgeons, dietitians and exercise physiologists for patients who choose bariatric surgery or a medically managed weight loss program. Mallory also provides motivational counseling and monitors patients' medical status during weight loss.

Prior to joining Goshen Physicians Endocrinology, Mallory provided care for patients of all ages at Goshen Physicians Family Medicine Shipshewana.

### PHILOSOPHY OF CARE

Mallory takes a holistic approach to caring for patients. She educates patients about food, exercise and resources to help them be successful with weight loss over the long term. Mallory also celebrates milestones and successes with patients as they move toward their individual weight loss goals.

## Education
