GOSHEN REHABILITATION

MEETING ALL YOUR REHAB NEEDS.

How are Occupational Therapy (OT), Speech Therapy (ST) and Physical Therapy (PT) related?

Following an injury, illness, surgery, or trauma, Goshen Health Rehabilitation can help you or a loved one achieve your highest potential. We offer a complete range of rehabilitative care, including physical therapy, occupational therapy, and speech therapy.

Services are available for both adults and children and are offered on an inpatient and outpatient basis. Our convenient facilities feature state-of-the art equipment and qualified, competent rehab professionals. For more information, contact the Goshen Health Rehabilitation facility nearest you.
